

CARITAS

TO THE 25TH ANNIVERSARY OF THE
CATHOLIC CARITAS
OF «ST MARY'S ROMAN CATHOLIC
CHURCH.»

New Jersey

Each jubilee – first and foremost summarizing activities, defining problems for the future and how to solve them.

Renaissance Parish Sacred Virgin Mary at Bordentown B 1992 coincided with the period of the Russia, a period of social and political change.

So, there are new problems in society, new challenges in lives countries

societies and many families. And "Caritas" as never not stayed. beside as problems и of tasks. After all, the goal of Caritas to spread mercy and justice

Among the most acute social problems of today's Russia:

- child problems -orphans with living parents, the problems of street and abandoned children;
- problems of like regulation lonely, excluded from society;
- problems of refugees and migrants (Russia

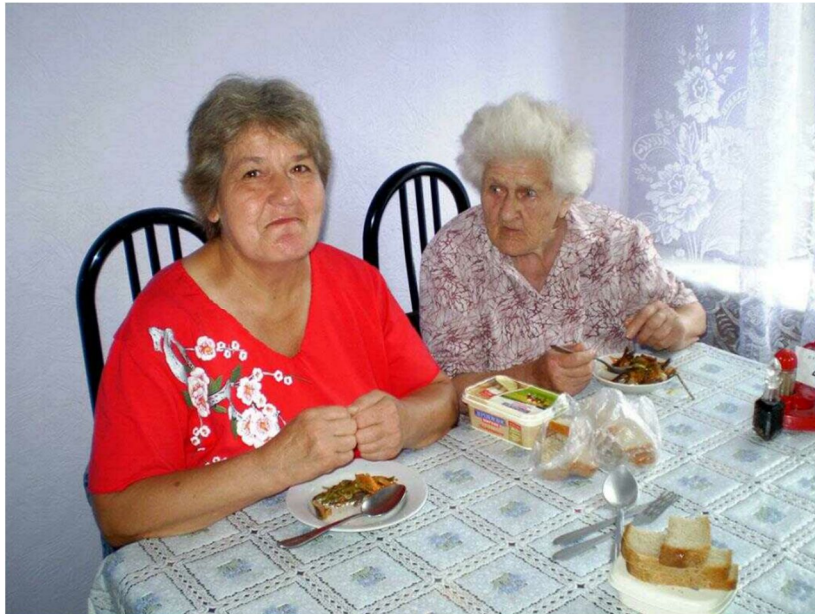

gradually becoming a country of migrants).

In addition to these longstanding problems. in Russia there are brand new for of our country's challenges, such as the problem of consumer societies.

In 1992 г. started forming volunteer community active the Dymskay A.M., Svitalskaya J.S., Svitalsky V.I., Shulga. N.V., L.P. Sadovnikova, R.S. Shiryayeva, Galich. E.N. et al. Then in 1994, Caritas was created. Primorye", and in 1995. "Parish Caritas

Programme to assist abandoned children in Municipal Clinical Hospital DMS №3 (1998-2012)

Branch was established in 1997 on 60 bunks. Due to increased incidents of rejection. from babies after birth, increasing the number

a founding, inability feed children in large families, etc. These are new. calls to new и cardinal solutions not yet, the number of rejects for these The years have not decreased, there are up to 80 children all the time. medical staff was with high professionalism - even the weak kids were nursing, и after cours rehabilitation treatments health the was recovering.

In the very actively adoption kids pursued by citizens, even kids с physical by but tightening at abnormalities, and limitation of operations adoption violated . this the

Our mission was . at a establish good living conditions for babies и to improve their power supply. The years have hospitals from local budget does not get of help. For need there was a special nutrition, adapted by к age и medical conditions (such as camp products Nestlé and Gerber). "Caritas. provided . hospital this is . powered by 2004 to 2011, funded the Anya Foundation and the Dairy Foundation. In all

Caritas volunteers with children

Six air conditioners were installed for infants and 20 beds.

In addition to power, there was another the problem is the laundry room. This is the Caritas too I've It was installed decided. equipment for laundries: washing machine, centrifuge, tumble dryer, ironing roller, trolley for lingerie.

Noteworthy is . tha wha alone from the sponsors were a US adopter. Him and me. hospital owe at professional laundry room. He named the foundation that financed this program, "Anya" in honor of a Russian girl, adopted by him from Russia.

Except this . to the hospital were purchased oils heaters, water heaters, medicine fridge, diapers and a lot more.

From the first in the worked . the nuns of the Congregation of St. Anne's Mercy: c. Alicia, p. Eugene and s. Chari, who. I've been practicing with babies all the time. Then .

volunteer parishioners appeared: Ilyina Y. A., Larova ME, Zamoshina TP, Wojzel N. and others.

В 2009 г. came up . nuns - canonicals c. Maria Stella, c. Maria-Catherine and were active in children's to the

Besides . hospitals №3 help powered turned out to в 2005-2009 М Psychoneurological Rebbe House essrs. Zavodskom (volunteers Sadovnikova Л. А., Lyanik О. И. и Chantalova Е. Ф.) и to the Specialized Children's Home No. 3 in the city. Ussuriysk in 2005-2006.

But в 2019 fro-for no the volunteers program is interrupted. We need volunteers to go out and play with children in the time at permanent on the preferably who live next door, in the Snake District. "Caritas." hopes that the lay and will respond. Hurry to do good! The children are waiting for you!
